

5th and 6th Grade Elective Choices

1. Paper Airplanes- (Mr. Ockuly): Design, decorate, create, test and fly different paper airplanes.
2. Seed Art- (Mrs. Pederson): Students will use a variety of seeds to create a visual design. Potential of MN State Fair display.
3. Reader's Theater- (Mrs. Winikoff): Students will tell stories through script reading. They will learn to use volume, facial expression and voice qualities to tell a story.
4. Painting Like Pollock- (Mrs. Krohn): We will study and produce our own paintings in Jackson Pollock's style of "drip" action painting.
5. Acting for the Theater- (Mrs. Porter): Learn to perform for theater, film, and television. Create characters and perform in short works by professional playwrights.
6. Blogging for Beginners- (Mrs. Dresler): **For 6th graders only!** Participants will learn the purpose and art of blogging. You will set up and maintain your own blog, using it as a reflective journal of your academic experiences.
7. Altered Books- (Mrs. Davis): Students will take a hard covered book and alter it to reflect on who they are.
8. Lego Architecture- (Mrs. Long): We will study various types of architecture via Powerpoint and discussions. Students will then create the architecture with Legos.
