Section 7. Seniority:

Subd. 1. Seniority Date: An employee's seniority date will be the original date of employment in the School District within the Kidstop Instructor's unit. If the starting date is the same between two or more employees, the employee with the greatest number of years of District service in a regular (non-casual position) will be considered the most senior. In the event of a tie between years of service, the

School District will meet and confer with the employee representatives to determine a process to break the tie.

Subd. 2. Forfeiture: An employee who is discharged, resigns, or does not report for an assignment after being recalled will forfeit all seniority rights.

Subd. 3. Seniority Rights: An instructor assigned temporarily as a program manager will retain all seniority rights within the instructors' employee group and will retain all previous credit for pay purposes. Upon completion of the temporary assignment, the employee will be re-employed in a position for which the employee is qualified commensurate with a position occupied prior to the assignment provided the position(s) has not been abolished.

Subd. 4. Seniority List: A seniority list of regular employees will be updated and posted on the District website monthly during the school year.

Section 8. Probation and Regular Status:

Subd. 1. New employees will be considered probationary employees until June 30, provided they have worked ninety (90) days from their hire date to June 30. Section 9. Posting of Positions: When there are vacancies for Lead Kidstop Instructors, all Kidstop employees will receive an email notification. Vacancies to be filled will be posted for a period of five (5) working days. Between the period of August 15th and September 30th each year, vacancies will be posted for a period of three (3) working days or until filled. Employees interested in applying should discuss the possible transfer with their immediate supervisor and then make application to Human Resources. Employees who apply during the designated time frame will be considered on the basis of previous work experience, training, and job performance. Management reserves the right to make the final decision in filling the position. After a hiring decision is made, all applicants will be notified by Human Resources within five (5) working days.

Section 10. Job Elimination:

Subd. 1. Seniority: In the event of job elimination requiring layoff, the employee with the least seniority in the site will be laid off first. The employee, if qualified, will be placed into an open position with equal hours matching his/her previous assignment, resulting from program changes and/or newly created positions at the time of displacement. If no such openings exist at the time of displacement, the employee, if qualified, will have the right to displace the least senior employee in

the Kidstop Instructor's unit in the School District, subject to Subd. 4 of this Section. Failure to accept a position under the terms of this Section will be viewed as a resignation by the employee. Subd. 3. Recall Period: A regular employee will be kept on the recall list up to twelve (12) months after the layoff if no position has been offered.

Subd. 4. Assignment Reduction – More Than Two Hours: When a reduction in assignment of more than two (2) hours per day occurs, the following steps will be taken: a) the incumbent is offered the option of retaining the position; b) if there are open positions resulting from program changes and/or newly created positions at the time of reduction, the employee, if qualified, will be placed into such open position if such open position has equal hours matching his/her previous assignment, or c) if the incumbent declines the reduced position, and no opening exists at the time of reduction, the employee, if senior, will have the right to bump the least senior employee within the site having equal hours or the greatest hourly assignment best matching his/her previous assignment. If such right is not utilized, the employee may bump the least senior person in the unit who has similar hours. The bumped employee, if senior, will be placed into an open position resulting from program changes and/or newly created positions at the time of displacement. If no such openings exist at the time of displacement, the employee, if qualified, will have rights to bump the least senior employee within the unit having equal hours or the greatest hourly assignment best matching his/her previous assignment. The person then bumped will only have rights to bump the least senior employee in the unit or may elect to take an open position.

Subd. 5. Full-time employees: When a reduction or elimination of a full-time assignment occurs, the employee will be placed into an open position with equal hours matching his/her previous assignment, resulting from program changes and/or newly created positions at the time of displacement. If no such openings exist at the time of displacement, the employee, if qualified, will have the right to displace the least senior full-time employee in the unit. The bumped employee, if senior, will have the right to bump the least senior full-time employee within the unit. The person then bumped will have the right to bump the least senior employee in the unit or may elect to take an open position.
